

## **Purdue University**

### **Industrial Technology and Organizational Leadership and Supervision**

#### **Assistant Professor Tenure Track Position - Purdue Statewide Technology**

The Industrial Technology Department and Organizational Leadership and Supervision (OLS) Departments at Purdue University's statewide technology campus at Richmond, Indiana together invite applications for a tenure-track Assistant Professor position starting August, 2009. IT and OLS are undergraduate degree granting departments in the College of Technology that is designed to prepare students with practical skills, tools, and attitudes for technology and leadership positions in the for-profit and not-for-profit sectors.

Requirements: Develop a research program related to industrial technology and leadership, teach at the undergraduate levels, assist the location director with student recruiting, provide administrative service to the University community, supervise student research, conduct and publish scholarly research, and obtain funding to support scholarly work. Faculty are also expected to develop curriculum for and deliver distance education.

Qualifications: Individuals with earned Ph.D. in industrial engineering technology, leadership, organizational behavior and development, or related fields, along with strong research and classroom skills. Relevant industrial experience is preferred, and background in one or more of the above areas is required. The ability to participate in academic conferences, publish in scholarly journals, and seek external support is required for promotion and tenure. Technology skills needed to deliver courses at a distance are required

#### **Application Information**

Salary is to be determined commensurate with qualifications and experience.

Screening will begin January 26, 2009; the position will remain open until filled. Send a letter of application being sure to include a vita, and the names and contact information of three references to:

Chair, Purdue SWT Richmond Search and Screen Committee, Industrial Technology Department, Knoy Hall of Technology, Room 366, 401 North Grant Street, West Lafayette, IN 47907-2021
