FROM THE DEAN

Welcome to the College of Technology annual scholarship reception. It is my pleasure to host you as we congratulate our scholarship recipients and give thanks for the support and generosity of our friends. Scholarship donors recognize that they are investing in the future of deserving students. Tonight, these deserving students join the college in offering a personal "thank you."

With each academic year, the college is able to offer assistance to a growing number of students. Encouraged by this financial and academic support, our scholarship recipients have demonstrated high academic performance and achievement. They are working to transform their dreams into reality; this is made ever more possible by the lessening of their financial burdens.

Congratulations to all of the scholarship recipients, and we thank all of our donors for their ongoing generosity.

Sincerely,

Dennis R. Depew, PhD
