Registration Process

This trip will be offered during Spring Break and the cost (including airfare) will be \$2483 for Purdue students and \$2700 for non-Purdue students.

Purdue University Students need to register for SA 308N and AT 452 for the spring semester. SA 308N will generate the trip invoice and AT 452 is the lecture (credit) course. In addition students need to register with study abroad, and enroll in SA308N.

Non-Purdue University Students need to contact Prof. Ronald Sterkenburg (sterkenr@purdue.edu) and provide your name, address and telephone number. A non-degree admission form will be sent to you which must be returned with a \$30 admission fee. You will then be registered for SA 308N which will generate the trip invoice. \$100 deposit is due as soon as you sign up. The check must be delivered to the AT business office.
