From the Dean

Welcome to the College of Technology annual scholarship reception. It is my pleasure to host you as we give thanks for the support and generosity of so many friends. Our donors recognize that an investment in scholarships is an investment in the future of deserving students. Tonight, these deserving students join the college in saying "thank you".

The college's scholarship program continues to grow each year, giving the college additional opportunities to honor our students. Encouraged by financial and academic support, our scholarship recipients have demonstrated high academic performance and achievement. They are working to transform their dreams into reality; this is made ever more possible by the lessening of their financial burdens.

Congratulations to all of the scholarship recipients, and we thank all of our donors for their ongoing generosity.

Sincerely,

Dennis R. Depew, PhD
