

Words of Wisdom

As an honored graduate of the College of Technology at Lafayette, we would like to offer you the opportunity to share some words of wisdom. This will be included with your photograph during the commencement ceremony.

Using 25 words or less (due to time constraints), please write some words of wisdom and email them to techlafayette@purdue.edu.

Here are some examples from previous candidates:

- “I would like to thank my wife for her support and understanding, and Wabash National and Purdue for the opportunity to take this class.”
- “The journey of education is more than the classes and tests. It involves the challenges and the serendipity of learning. Explore. Dream. Discover.”
- “Education is the most powerful weapon we can use to change the world.”
- “I share this achievement with those who have supported, encouraged, and inspired me along life’s journey.”
- “To quote Mark Twain, ‘Keep away from people who try to belittle your ambitions. Small people always do that, but the really great people feel that you, too, can become great.’”

Your statement must be received by our office no later than April 1, 2009!
