Book Exchange Library for the Purdue University, College of Technology, Statewide Lafayette Campus

The Book Exchange Library project is to make available OLS and IT curriculum textbooks to COT Lafayette Campus non-traditional students “on loan”, to help defer the cost of these books and ease the financial burden of tuition. Textbooks will be collected (donated) from students that did not turn their books in for re-sale.

If you would like to donate your textbooks, please contact Eric Newman or Bryon Neubauer, or drop them off at the College of Technology at Lafayette indicating that they are a library donation.
